## AMRUT INDIAN SINGLE MALT

### FROM THE LAND OF THE GREAT HIMALAYAS

#### Tasting Notes

**Nose :** Distinctly confident liquorice-bourbon notes with near perfect bitter-sweet balance; burnt honeycomb and toffee also abound

**Taste :** Outstanding richness and sheen to the enormous barley-oak sweetness; again there is a big bourbon cut to the cloth with all the liquorice and molassed sugar normally associated; but the barley adds that extra dimension

**Finish :** Long, wonderfully layered oak offering variations of a sweet dry theme; a touch silky with some cream toffee at the death
