Dictador RUM AGED 12 YEARS

METHOD

Dictador 12 Years Rum is made from the fermentation of virgin sugar cane honey distilled partly in copper alembic and partly in a steel continuous column, to achieve our signature medium-bodied rum. Aged in oak barrels through a solera system and then bottled under caring, expert eyes, so we can ensure the final liquid is of the highest quality – and all of our flavour secrets remain in tact.

TASTING NOTES

Light copper colour with amber highlights, an intense treacle nose and maple syrup, tobacco and leather aromas. Fruit and honey on the palate with creamy spiced oak notes and a finish of cigar tobacco and coffee.

BALANCED YET COMPLEX

It's a medium-bodied, complex blend of premium aged rums with full, rich flavours. Received Double Gold at WSWA 2013.
