PIG

BLACK CASK

A small batch blend of 4-10 year old malt and single grain Irish whiskey matured in first fill bourbon casks with extra charring. Butterscotch and tropical fruits on the nose, with concentrated spice, nutty notes and vanilla sweetness in the taste. The finish is smooth and mellow with an intense richness.

Inspired by the Great Whiskey Fire and the events of that fateful night, the Malone's Whiskey Company was resurrected in 2014 and launched the Flaming Pig brand, to take advantage of the global boom in Irish whiskey sales and the flourishing interest in craft distilling

Malone's Whiskey Co. use first fill bourbon casks with extra charring to mature Flaming Pig. The flamed casks deliver extra spice, intense nuttiness and more vanilla sweetness to create a smooth, yet more intense whiskey.

MORE FIRE = MORE FLAVOUR
