TALE 173 AN AWARD-WINNING VICTORIAN CLASSIC

Our award-winning Victorianna is evidence of Glen Scotia's timeless style. From its robust and deeply decadent cask strength liquid, to its classic packaging cues, Victorianna is a celebration of Glen Scotia's proud whisky-making history. Its recent award as 'best no age statement whisky 2022' at the world spirits competition is testament to how our modern day distillery team are inspired by traditions from the past, ensuring our young whiskies are still 'best in class'. **GLEN SCOTIA ~ IT'S THE WHISKY THAT BINDS US.**

THE PREVAILING SPIRIT OF CAMPBELTOWN

Glen Scotia was born in a place like no other - a small town on the west coast of Scotland that was to become the 'Victorian Whisky Capital of the World'. The people of Campbeltown are stoic and proud, and our whisky has always had a wonderful way of bringing us together in times of need. Glen Scotia prevailed against the odds where some thirty other local distilleries fell. Today it **stands proudly among the last of the many**, by virtue of the community spirit that defines Campbeltown.
