LOCH LOMOND

SINGLE MALT SCOTCH WHISKY

◆ LOCH LOMOND ◆ 12 YEAR OLD INCHMOAN *Smoke & Spice*

For centuries, the mainland inhabitants of Luss, on the west side of Loch Lomond, used Inchmoan as their source of peat fuel for the village fires. Hence its name 'Inch-moan': the island of the peat in gaelic. In early summer, it must have been a hive of industry with boats being rowed out, men cutting deep into the peat banks, and women and children stacking the peats to dry in the summer sun, later to be carried to the boats and brought home in autumn.

Long and relatively flat, Inchmoan is known today for its large sandy beaches but the interior is a jungle of rhododendron, birch, alder, gorse, bog myrtle and blaeberry, the peaceful sanctuary of visiting fallow deer.

Aged for a minimum of 12 years in refill and medium rechar casks ensuring the sweeter notes of this single malt are brought to the fore, resulting in a balanced combination of sweetness, peat and spice.

Distinctive packaging, beautifully designed for MAXIMUM standout and consumer appeal.

Distilling heritage dating back to 1772, quality and craftsmanship guaranteed.

Our Inchmoan range is bottled at 46% ABV and non chill-filtered, resulting in smooth taste and to keep things just a nature intended.
