LOCH LOMOND

SINGLE MALT SCOTCH WHISKY

◆ LOCH LOMOND ◆ 12 YEAR OLD INCHMURRIN *Fruity & Sweet*

The enchanting isle of Inchmurrin is the largest of the Loch Lomond's islands and was once home to the chapel built by Christian monks in the 7th century. Known as the 'Grassy Isle' it is soft, rounded and wonderfully wooded - attributes sought after in many a malt. Large enough to support a small community, Inchmurrin lends its name to three distinctive whiskies in the Island Collection. Each unique, but all sharing the characteristics which make this range beautifully unique.

Distilled in our unique Loch Lomond stills creating a distinctive lighter whisky with subtle floral notes.

Aged in three types of casks and vatted together in a rare balance, known only by our master blender.

Distinctive packaging, beautifully designed for MAXIMUM standout and consumer appeal.

Distilling heritage dating back to 1772, quality and craftsmanship guaranteed.

Our Inchmurrin range is bottled at 46% ABV and non chill-filtered, resulting in smooth taste and to keep things just a nature intended.

LOCH LOMOND
SINGLE MALT SCOTCH WHISKY
AGED **12** YEARS

It is somewhat fitting that the 'grassy isle' lends its name to this exquisite 12 year old single malt. Unique as the island itself with grassy notes and floral hints of pear drops, crème caramel, soft fruits, vanilla and fudge. Aged in three hand selected types of cask – bourbon, refill and recharred – these whiskies are then married together in a balance known only to our Master Distiller Bill White. Non-chill filtered to allow the whisky's natural characteristics to shine through.
