# Merrys Irish Cream Liqueur

## Making Merrys

The special taste of Merrys Irish Cream Liqueur is not just due to the richness of the fresh dairy Irish cream sourced from grass-fed cows in Ireland's Golden Vale that is bottled within hours of leaving the farm gate; nor the dash of fine aged Irish whiskey that's added, nor indeed that it is carefully made in small batches in Ireland—the home and birthplace of cream liqueurs. It is also the result of the craftsmanship and passion of a company steeped in the spirit trade.

## 150 Years Young

At Robert A. Merry & Co., we are proud guardians of a long tradition of trading in premium quality alcohol beverages, stemming from a Spirit and Wine Bonder business and the historic Merrys Tavern established in Dungarvan, Co. Waterford in 1868. The Merry family nurtured a reputation in Ireland as purveyors of fine spirits—a tradition that is carried on with gusto today.
