CAMPBELTOWN SINGLE MALT
SCOTCH WHISKY

PATIENCE ISN'T JUST A VIRTUE,
IT'S AN INGREDIENT

TIME HONOURED

Glen Scotia distillery is situated in Campbeltown, one of the 5 recognised regions of Scotch whisky making in Scotland.

Founded in 1832, Glen Scotia is one of only 3 distilleries producing in this area. With a style unique to Campbeltown, Glen Scotia distils both peated and non-peated single malt.

At a time where malt lovers are on a quest of discovery, Campbeltown is the final frontier and last great whisky-making region in Scotland.

Campbeltown was once hailed in the Victorian Age as the 'Whisky Capital of the World'. Today, only 3 distilleries remain. One of the finest is Glen Scotia."

GLEN SCOTIA

25 YEAR OLD

SINGLE MALT SCOTCH WHISKY

An exceptional single malt whisky matured from specially selected casks that deliver the true character of a 25 year old Glen Scotia malt whisky.

The whisky has been gently matured in our finest American oak barrels before each cask being hand selected and married in first fill bourbon for a period of 12 months before bottling.

The signature nose has hints of vanilla oak, interwoven with the subtle notes of sea spray and spicy aromatic fruits.

FEATURES & BENEFITS

- ♦ Glen Scotia is one of the smallest and most traditionally-operated distilleries in Scotland. The result is a line of small-batch, perfectly balanced malts with intense and highly discernible character.
- ♦ Glen Scotia malts have a distinct, lightly peated profile with clearly identifiable influence from sherry cask ageing along the sea coast.
- ♦ Matured for 25 years in the finest American Oak barrels delivering intense character and flavour associated with a Glen Scotia Single Malt.
 - ♦ Our 25 year old is bottled at 48.8% ABV with natural colour and is non-chill filtered for increased depth of flavour resulting in a rich smooth taste with intense character.
