

Ozark Mountain HOG Chapter – Ride Request Form

This form should be used to request that a Chapter Ride be published so the rest of the Chapter is notified of the ride. This information will be published on the google calendar, Facebook, Website, Newsletter and eblast as possible. The Activities Officers will let you know if there are other rides/events happening that day. If there are conflicts, they will help you determine if you want to keep the date or find another date that might work better. The Activity Officers will also let the Head Road Captain and/or LOH Officer that the ride is being scheduled.
