**Illustrations, descriptions and specifications.** This catalogue was correct at the time of going to print. However, SHELBY and GU Autotrade B.V. policy is one of continuous product development. The right is reserved to change specifications, colors and recommended prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Official SHELBY Dealer.

**Optional equipment.** Throughout this publication, whenever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and color combinations are subject to availability. Note. Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original SHELBY accessories as well as a range of products from our suppliers.

All trademarks and trade names are those of their respective owners. **Note.** Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.

The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular vehicle. The vehicles themselves have not been tested and there are inevitably differences between individual vehicles of the same model. In addition, a vehicle may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption.
