

# Haney Neptunes Code of Conduct Agreement

## Athlete Code of Conduct

The following covers the expected behaviour, conduct, and responsibilities of a Haney Neptune Athlete:

- I will respect all team members, competitors, coaches, officials, executive members, parents, facility staff, and the public.
- I will promote positive team spirit and sportsmanship.
- I will follow the directions of the coaches during practices, at swim meets, and all other team functions.
- I will use proper pool and/or lane etiquette. I will obey all recreational facility rules.
- I will be responsible for the care and proper use of all equipment and will be expected to help put away supplies.
- I will honour the commitments I made to the team – such as competing in all registered individual and relay events, attending practices as much as possible and arriving 15 minutes early for warm up.
- I am aware of and will abide by the BCSSA Harassment Policy
- I am aware of and will abide by the Haney Neptunes' Bullying Policy

## Parent Code of Conduct

The principles outlined highlight the expected behaviour, conduct, and responsibilities of a Haney Neptunes Parent:

- I will respect all team members, competitors, coaches, officials, executive members, parents, facility staff, and the public.
- I will encourage my child/children to participate with a positive attitude.
- I will demonstrate positive, supportive, respectful, and encouraging behaviours at all practices and competitions.
- I will focus on my child's efforts and performance, setting goals of best times, and not specific placing.
- I understand that the pool is the coaches' domain and will refrain from interfering with the coaches on the pool deck.
- I will bring any questions or comments on coaching performance or decision-making to the Director of Swimming, Director of Water Polo, or Director of Synchro and/or the Club President. I will respect and abide by the decision made after discussing my concerns, even if it does not coincide with mine.
- I will abide by decisions made by meet officials and coaching staff and understand that, during a competition, parents can only address officials via the coaching staff.
- I will be responsible for my children anywhere other than on deck and in the pool. If I have a young child participating and feel that they need supervision during bathroom breaks or before or after practice that will remain my responsibility.
- I am aware of and will abide, and have my child abide, by the BCSSA Harassment Policy
- I am aware of and will abide, and have my child abide, by the Haney Neptune's Bullying Policy

**\*\*I will follow the principles as outline in the Code of Conduct. Should I fail to do so, I understand that I may be subject to consequences as seen fit by the Haney Neptune Executive Members.\*\***
