

HANEY NEPTUNES

AQUATIC CLUB

FALL 2026

Welcome to Fall Maintenance!

Hello Everyone,

What an incredible summer season it has been! Our Haney swimmers wrapped up competition in Kamloops this past week, and we couldn't be more proud. Haney finished 9th out of 66 teams, that is our highest finish since 2017! Every swimmer not only rose to the challenge but also showed amazing growth in their strokes, swim knowledge, and technique plus many achieved brand new personal bests! A huge thank you goes out to our dedicated coaches, tireless volunteers, supportive parents, and of course our hardworking swimmers. You all made this season truly one of the best yet.

We're already looking forward to what's ahead in summer 2027!

Now the club shifts over to Fall Maintenance. The Fall Maintenance program is in place to keep swimmers swimming through the off-season within the "S" status guidelines. It gives swimmers the opportunity to maintain their skills, fitness and club connections they gained this summer. All the while still able to compete next summer as an "S" swimmer. This Fall Maintenance season will span 13 weeks running September to December, 2026.

The Fall training sessions will be held two (2) days a week, on the weekend, at the Maple Ridge Leisure Center between 4-8 pm. If you prefer to only swim one (1) day, we offer that option as well.

Please see below all the information for summer registration. All registration information can also be found on our website

Program Descriptions:

Speed

Swimming:

The Speed Swimming program is tailored for swimmers who can cover a minimum of 25m in a recognizable stroke. Our focus is on refining swim technique and fostering competitive swim skills.

Choose 1-hour per week or extend training to 2 hours /week by also registering for both Sat and Sun.

Junior Neptune's:

The Jr. Neptunes program is for younger swimmers who are unable to swim 25m in a recognizable stroke. We focus on building water confidence and introducing foundational speed swimming skills. The program runs on Saturdays and Sundays for 30 minutes each practice.

Water Polo- This will only run if we have enough numbers. It will be waitlist only to start so please add your child to the waitlist if you are hoping to do Water polo Maintenance. The Water Polo program runs for 2 hours/week and is designed for athletes to learn the rules and plays of 2

Water Polo. Whether you're a beginner or seasoned player, we emphasize skill refinement, teamwork, and the joy of the game. Participants must be able to swim 25m freestyle and tread water for 5 minutes.

Splashball- This will only run if we have enough numbers. It will be waitlist only to start so please add your child to the waitlist if you are hoping to do Water polo Maintenance.

The Splash Ball program is an introductory 1 hour/week Water Polo program designed for younger athletes not yet ready for the full program. In a fun and supportive environment, participants will learn basic rules and plays of water polo while developing foundational skills and teamwork.

Add on Water Polo: This will only run if we have enough numbers. It will be waitlist only to start so please add your child to the waitlist if you are hoping to do Water polo Maintenance.

This choice is for individuals already registered in Speed Swimming who wish to supplement their registration by adding water polo. Registration won't be made available until after the season starts as it's meant for kids that decide after the initial registration that they want to join water polo.

Add Splashball: This will only run if we have enough numbers. It will be waitlist only to start so please add your child to the waitlist if you are hoping to do Water polo Maintenance.

This choice is for individuals already registered in Junior Neptunes who wish to supplement their registration by adding splashball. Registration won't be made available until after the season starts as it's meant for kids that decide after the initial registration that they want to join splashball.

Masters:

The Masters Swim program welcomes adults of all levels and abilities. Join a community of swimmers for personalized training in a supportive team environment

Swim Designations: S" vs "O" (OCAT):

When registering your swimmer, you will see a declaration of swimmer status.

- "S" Swimmer; or
- "O" Swimmer

Most of our swimmers are "S" status swimmers. For new swimmers, please choose the "S" Status.

"S" Swimmer - is a swimmer who trains with the British Columbia Summer Swimming Association ("BCSSA") for an unrestricted number of hours between May 1 and August 31 of each year. "S" Swimmers may participate in fall or winter swim training provided the activity does not exceed a total of two (2) hours within a calendar week (Sunday through Saturday).

"O" Swimmer - Open Category ("OCAT") is a swimmer who trains or competes in an organized aquatic activity exceeding 2 hours per week during the fall /winter season between September 1 to April 30.

Note: a swimmer can train and compete in diving, water polo and artistic swimming with no restriction and organized high school swim teams do not affect "S" status.

NEW: Participating in swim meets, between September 1 and April 30, will affect the “S” swimmer status. This means, your swimmer will not be considered an “S” swimmer, they will be considered an “O” swimmer and unable to compete with other “S” swimmers during summer competition season.

Proof of Age

BCSSA requires us to check Proof of Age for all swimmers.

If you are a new member, one of the executive members will be on-deck to check ID.

Please bring the below acceptable ID for your swimmer.

- Birth Certificate or;
- CareCard or;
- other government issue ID
