General Information

August Meeting

The August SHRC meeting was held as scheduled on Tuesday, August 9th at 7:00pm at the Swan Harbor RC field after a cookout. There were 10 members in attendance. It has been a hot and humid summer and we would like to thank all the members that came out to the meeting and braved the heat.

After another tasty cookout of grilled cheeseburgers, Steve called the meeting to order at 7:00pm. Steve asked if everyone approved of the July newsletter minutes and all in attendance agreed they were good.

Steve announced our membership is still at 79 members and that our financial accounts are holding strong as of August 2022. Steve also mentioned that as of this month we paid off (in full) the 60" Zero Turn tractor. We will soon be acquiring the Christmas Party raffle prizes and paying off that purchase as well.

Old Business:

- *The concrete floor project for the canopies is coming soon. The county has been to the field in August to scope out the project and is getting bids to do the work. Now that the county's 2022 budget has been approved, as of July 1st, we hope to hear soon when work will begin.*
- *The runway and pit grass is looking great this year after all the work that has been done the past several years and the consistent rain we've been getting. We are planning to do the following work ourselves: aerate the turf in early fall and spot seed areas as needed.*
- *The fall Swap Meet & Fun Fly is still on schedule as planned. See the section below for more details. We are looking for volunteers to help with the event.*
- *In planning for the 2022 Christmas Party, we will be acquiring the following raffle prizes from Horizon Hobbies at approximately 20-25% discount. Many thanks to Horizon Hobbies. Hope to see you all at the Christmas Party!*
 - *T-28 Trojan 1.1m, BNF Basic with AS3X and Safe Select*
 - *F4U V2 Corsair 800mm, PNP with Reflex, Blue*
 - *UMX Turbo Timber 700mm, BNF Basic with AS3X and Safe Select*
 - *Conscendo Evolution 1.5m, PNP*
 - *RV-7 1.1m, BNF Basic with AS3X and Safe Select*

Membership & Treasury Report

Membership: *As of the July 2022 meeting we are now up to 79 paid up members.*

Treasury: *Steve reviewed the club's financial status as of the meeting date and noted the club is in great shape as usual. Steve noted that he has accounted for and budgeted 150 gallons of gas for the 2022 grass cutting season.*

Remaining 2022 Club Events:

Tail Gate Swap Meet & Fun Fly

Date: September 10th: Main Event (September 24th: Rain Date)

Time: Starts 10:00am

Our club will be holding a Tail Gate Swap Meet & Fun Fly which is open to our club members and local area clubs have also been invited to attend the event as well. Lunch will be available at a price of \$5:00 for a burger or hot dog, chips, cookies, and a drink.

We need volunteers to help on the day of the event to make it a success!!

Please email Steve Snyder (snyder800@gmail.com) & Ron Lazzeri (ronlazzeri@verizon.net) if you can volunteer to help on the day of the event. We want this event to be a success and your help is a vital part of that success. We would like to get at least 10-12 volunteers so we could run a couple shifts so that no one has to help all day. Once we get your emails we will sort out the volunteers by duties. Please respond as soon as possible but no later than Friday, August 26th.

Here is a list of the duties we will need to support:

- **Event Parking:** starting at 8:00am, directing incoming traffic either to the swap meet or flight line areas.
 - Need at least 2 shift helpers
- **Tail Gate Swap Meet Coordinator:** directing and monitoring the activities of the swap meet.
 - Need at least 2 shift helpers

Wings Over Piper Fly-In

Held at the William T. Piper Memorial Airport

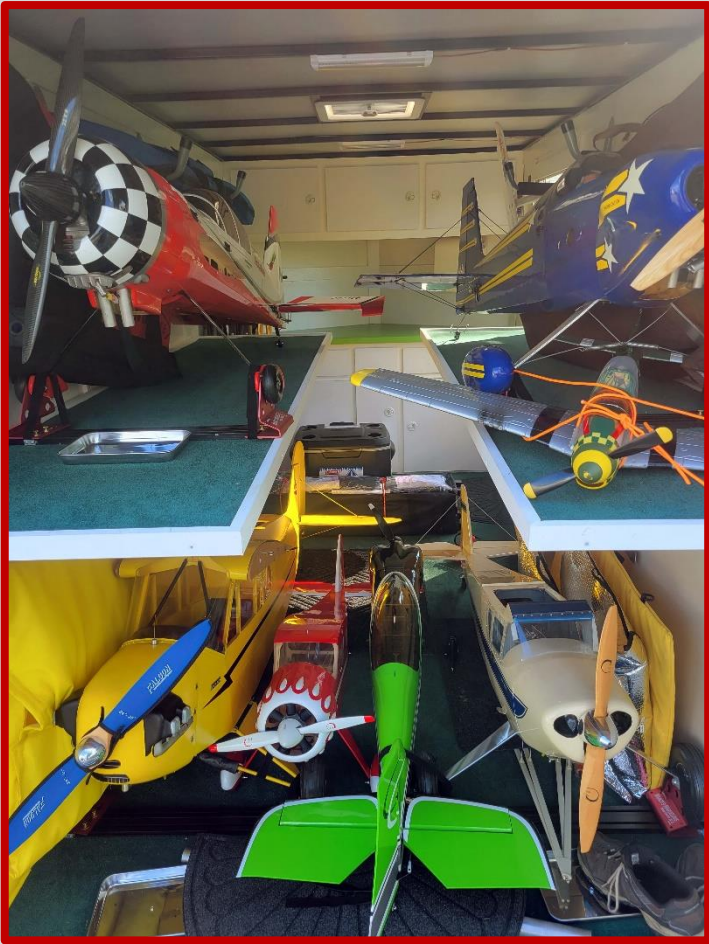

Lock Haven, Pennsylvania

August 4-7, 2022

Steve Snyder and Ron Lazzeri attended the 4 day fly-in event along with 35 fellow RC pilots and many enthusiasts/spectators. There were many pilots from all over the eastern half of the country. Several modelers were from local clubs like RCMB and DCRC. The following pics are from that event. While at the event they stopped by and toured the Piper Aviation Museum. Since the RC fly-in was held at an active airport several full size airplanes landed and took off during the event. On Saturday, a local pilot flew in a 1941 fully restored Stearman which made for some great photos.

- Payment is due by: 3/31/YEAR

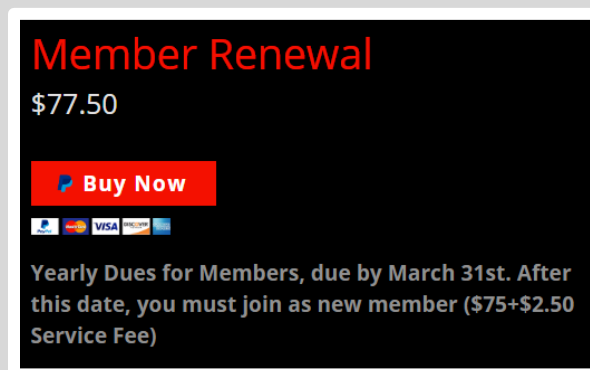

New Membership Dues:

- Full year new membership fee: \$125.00
