General Information

September Activities:

There wasn't a club meeting in September due to the Fall Fun Fly & Swap Meet held on Saturday, September 10, 2022. The next club meeting will be on Tuesday, 10/11/2022 at 7:00pm at the Havre de Grace Activity Center on Lewis Lane. See club meeting section for more details.

The club held its Fall Fun Fly & Swap Meet as planned and enjoyed a beautiful September day with blue skies, sunshine, and calm winds. However, the Swap Meet portion of the day was not as successful as we had hoped it would be. We learned that there were some other RC events going on in the area along with other local activities that started off the fall season with such great weather. We will reevaluate better dates for future events and try to avoid competing with other local happenings.

The Fun Fly and cookout turned out to be a great success. Everyone looked to have a good time and enjoyed a day of comradery and good food. The board would like to thank all of the club's volunteers that helped make the day a success with parking, cooking, swap meet, and flight line activities. The board would also like to thank all of the club members, friends and guests that came out for the day to celebrate a successful 2022 flying season and our wonderful flying field.

Our next big event will be the annual Christmas Party to be held on Saturday, 12/3/2022 at the Havre de Grace Activity Center on Lewis Lane. We hope to see all of our members and their guests at the party. We will have a great time wrapping up the 2022 flying year and ring in the Christmas holiday season with some nice raffle prizes and a spectacular buffet. See you all there!

Sanjay Mortimer was instrumental to not only the industry as one of the founding members of E3D but also to the East Coast Rep Rap Festival. Without his belief in us, this event would have never become what it is today. He was one of the kindest, most welcoming people in this community and we miss him dearly.
