Willie McCaslin and the Spitfire

Jim Snyder and the Hangar 9 "Pulse"

SHOW AND TELL...

Willie McCaslin showed off his Submarine Spitfire which was recycled through the Newark flea market. It has a 65 inch wing, spring air retracts and is powered with a SAITO 91 4-stroke. Very attractive scale plane.

THE GREAT CHRISTMAS RAFFLE...

Some good stuff being auctioned this year...a 27% Extra 260 and a Funtana X100 are the lead items. Ticket sales are good. You can get tickets at the field or at the meeting before the auction...\$1 each or 6 for \$5.

SPECIAL SHOW AND TELL...

If you have never seen a flight simulator in action, you'll have a chance to see one at the Christmas Party. Bryan Meehan will demonstrate the New Reaflight 3.5 with a projector onto a 60 inch big screen. This should be an awesome presentation.

FROM THE PITS...

Jim Snyder was flying his Hangar 9 "Pulse". It has a 50 inch wing and is powered by an OS 46 engine. This is several ARFs now that Jim has brought out. It looks like competition from the Orient has caused him to slow down his operations in the Jim Snyder Storm Door and Aero modeling Shop.

**Funtana X 100
Christmas Raffle Prize**
