How about bringing in something for Show and Tell.**

GENERAL CLUB NEWS...

Steve Snyder, President, opened the meeting of Mar 9 at 7:00 at the Churchville Rec Center:

1. Tom Smith will coordinate the application of the pre-emergence materials to the flying field.
2. Jim Snyder will coordinate with Tony Grigaliunas the grading of the driveway which has become so terribly rutted...probably do the job on a Saturday. It will require the filling of some low spots prior to grading.
3. Rita and Kathy (John Kocon's wife and daughter) sent a note of appreciation for our flowers and sympathies.
4. Steve Snyder sent in the required documentation to AMA for our Giant Scale Fly-In in September.
5. George Lattoz offered to install an alarm on the shed for the price of the materials. Joe Nixon will follow up.
6. Dan Bowman says that 54 new members have already signed up for 2006.

IN APPRECIATION...

Rita and Kathy (John Kocon's wife and daughter) sent the Club a note of appreciation for the Club's flowers and expressions of sympathy.

SHOW AND TELL...

...if the engine don't fit, then you must quit
(Steve Snyder)

Steve Snyder brought in a stick built up rubber powered Fairchild 22...haven't seen one of those in years. He also had the DA-50cc (Desert Aircraft) gas engine which he plans to install in the YAK 54 ARF which he recently purchased.

John Ruppel brought in his KYOSHO Pitts S2C. It's a 40 size ARF with an OS 50SX engine.

Herman Reichart showed an electric Edge 540 ARF with a 38 inch wingspan.

We had a visitor, John Pisciotta. He had a partially built Piper Cub. He got all kinds of advice on how to finish it. The recommendations were appreciated.

FROM THE PITS...

Tom Smith, with his able assistants Bob Walker and Achille Silvestri, laid down 300 lbs of pre-emergence materials on the field. A simple task, efficiently done.

Bob and Achille took advantage of this fine day to get in some quality flying.

MEMBERSHIP RENEWAL...

If you have not renewed your 2006 membership by now you are delinquent and subject to initiation fees if you want to join again. You also need a 2006 AMA membership.

Also, don't forget your AMA renewal. You must have it January 1, 2006 in order to fly.
