October
2015

70 members currently
Meeting took place at Wendy's:
987 Beards Hill Rd, Aberdeen, MD 21001
Phone: (443) 327-6706

Club Minutes: October 13th, 2015

1. Discussed nominations for 2016 officers:

Gary Gunter was nominated for President

Scott Jordan was nominated for Vice President

Chris Mounayer expressed interest in VP as well.

Steve Snyder was nominated for Treasurer

Victor and Max Moxey were nominated for Secretary

Dale Davis and Herman Reichart were nominated for Members at Large

- 2.The date of the Christmas Party was discussed, it is December the 12th at the Havre De Grace Rec Center. Same as last year.
- 3.Prizes for the Christmas Party are still a little up in the air but it looks like another Carbon Cub and some of the micro BNF planes. We are still open for suggestions if anyone would like something different.
- 4.There was discussion about replacing the tarp canopies with metal carports. These seem to be a much better way to go and a bit more permanent structure so we don't have to deal with buying tarps, bungee's and repairing the metal pipework each year. In recent years we have had to repair or replace the framework due to harsh weather. They are available in almost any color and with a light colored roof they are definitely cooler in the summer time. These carports are Northern rated for 90 mph wind and 30 lb. per sq. feet snow load. They are sold installed and free freight. This years' price was \$1700. For a 12X30'
- 5.Steve Snyder gave an end of season account of our Treasury funds
- 6.Some discussion of next years' dues were discussed but nothing firm as of yet. General consensus is \$75.00
- 7.A ballot for officers will be Emailed out next month. Voting will take place at the Christmas Party or Emailed to Steve Snyder for those who wish to vote but cannot make the Christmas Party. I hope everyone can make the Party.
8. Mike Berchini took some great Go Pro footage from his truck and his quad. See the two great edits on our videos page or click the links to go to the SwanHarborRC Youtube Channel:

Final Picnic of the Year

by Victor and Max Moxey

It was a brisk morning with variable winds coming out of the North at 10 to 15 mph and it was partly cloudy. With the fresh smell of dunkin doughnuts combined with a hint of that distinctive smell of a smoking gas grill, it was the perfect setting for Swan Harbor's final picnic of the year! You could hear all of the electrics and gas engines combined with the laughter of several pilots, mechanics and spectators. Wether they where making good fun of the way someone flew their plane or just telling a really bad joke, it's always quite enjoyable! I always said "you can't get this kind of entertainment at home".

Please enjoy the photos and thanks for being a member of the greatest R.C. Aviation club in the world. SWAN HARBOR R. C.

Friends, Flying and Fellowship.
