March 2016

Meeting took place at Wendy's:
987 Beards Hill Rd, Aberdeen, MD 21001
Phone: (443) 327-6706

Club Meeting 3/08/16

1. Minutes read from last meeting discussing elimination of term limits.
2. No old business
3. New Business, vote was taken on term limit elimination. Proposal passed all in favor.

Carports are ordered, I have a confirmation but no delivery date yet, they will call five days ahead of delivery.

The framing around the picnic tables were downsized to fit the new carports.

The county came out and removed all the mulch in the frames and installed crusher run and tamped it down. It should keep the bugs down and make it easier to find small parts dropped while working on projects.

They are going to try to come out within the next couple of weeks and drag and fill the road and parking lot as well as roll the field. Weather dependent.

4. Dale and I picked up the Crab Grass preventer and put it down on the field. I was pleased last year with how well it kept the Crab Grass away so I think this year it should be even better.

5. Weekend of the 26th I will pick up the mowers and service them at my garage.

6. Steve read the treasurer's report

7. General Discussion:

a. FAA registration was talked about, not much about it to discuss at this point, it is law and we will deal with it. I have put it on all my planes with a Brother P Touch label maker. Pretty painless.

b. Joe Nall May 5th.

c. Lebanon was the weekend
