President's Club Meeting & Discussion Topics

- **Old Business:**
 - **None**
- **New Business:**
 - **Christmas Party & Meeting:**
 - **2020 Club Officer Elections:** Club officer nominations were discussed and chosen for each position at the November 2019 club meeting held at the Golden Coral restaurant. As a final step in preparation for the 2020 officer elections at the Christmas party, Gary asked all members present if anyone would like to run for any of the officer positions. No new officer nominations were raised for consideration. All officer nominations were discussed and with unanimous approval, by all members present, the current board was re-elected to office for 2020 and will stay in place for another year.
 - **Social Membership:** The second item discussed at the November 2019 meeting was to enact a "Social Membership" for people to enjoy the benefits of the club such as attending club meetings and cookouts, club fly-ins, and the annual Christmas party. This would be an annual membership cost of \$50 and would be a non-flying membership. Gary asked members to vote on this new membership with a show of hands. This was also approved by the members present at the party.
 - **Recognitions & Special Thanks:** Gary proceeded to say he would like to take time to recognize and give thanks for the efforts of some special people in our club:
 - **Havre De Grace Parks & Rec:** Gary, first and foremost, wanted to thank the Havre De Grace Parks and Recreation team, for without them we would not be here today celebrating our annual Christmas party. They have been nothing but gracious and totally supportive of our club. We most graciously thank you all!
 - **Chris Mounayer:** Chris is our Vice President and helps to keep all things under control.
 - **Steve Snyder:** Steve is our Treasurer and helps keep our money, books, and membership straight.
 - **Ron Lazzeri:** Ron is our Secretary/Newsletter guy and does a fabulous job on our monthly newsletter.
 - **Bob Walker:** Bob is our Safety Officer and tries to keep all of our appendages attached to our bodies.
 - **Members at Large:** Our Members at Large are Stephen Slotnick/Webmaster, Herman Reichart/Resident Flight Instructor and Lawn Maintenance, Jae Jang/Lawn Maintenance, Dale Davis/Club Beautifier, and Marvin Tedrow/Club Events Fliers.

Gary reiterated that he knows there are people he has left out but apologizes for that because our club is a group effort and it shows what a gathering of likeminded individuals can do while having a great time doing it!

- ***Dale Davis:*** Dale Davis is an instrumental Member at Large and Gary moved on to a special thank you for Dale. Gary said Dale tirelessly strives to make our club and every event special for all of us citing several items Dale is personally responsible for accomplishing such as: field electricity, driveway stone paving, county involvement with rolling the field and special needs, soda-coffee-snacks, refrigerator, microwave, coffee pot, sheds, and anything else we need. Just take a look at the Christmas party set up and all the decorations. Dale and his crew came in on Friday and set up everything they possibly could in advance and hung all the decorations. Dale just wants to make everything perfect for all of you guys and gals.

With all of that in mind, Gary presented Dale with a special plaque of appreciation from the Swan Harbor RC Club for all of his efforts. The inscription reads:

***"Appreciation Award presented to Dale Davis in Grateful Recognition of your
Dedication to Swan Harbor RC" December 14, 2019***

In closing, Gary thanked everyone for coming out to our gathering today. It is the best function of the year, as far as I'm concerned, where we get to come and enjoy each other as a group. Please eat up until you can't move! And lastly, if you brought a small plane to fly in the gym have a great time and enjoy the rest of the party.

Thank You,

Gary Gunter, President

Commentary on this year's Christmas Party from the Newsletter Editor

As Gary said in the meeting at the Christmas Party, this was one of the best Christmas Parties we've had at Swan Harbor RC. It is the culmination of years of practice having the party and Dale's expertise and care taken to make sure we all have the best time. There was plenty of food, drinks, comradery, music, and things to do. At the party this year we had several static planes on display brought in by Gary, Chris, and Stephen; approximately 15 plane kits for raffle prizes; Gary's Flight Simulator to test your skills on; and the Gym was reserved again for indoor flying.

This truly is a great club and is a testament to the hard working Board of Directors, fun loving members, and a great partnership with the local Harford County and Havre De Grace communities including Phillips Airfield. Our members are the best! Words are easy to say but the comradery of the membership is 2nd to none anywhere you go. Everyone is willing to help and lookout for each other and pick you up when you have a bad day at the field or just in general. We should all be proud of the fact that anytime we have visitors or family members, including children, show up at the field to spectate we are confident they are welcomed and made to feel at ease, without reservation, while we demonstrate our flying achievements.

At the party, Steve took in 2020 membership dues and has already signed up 27 members for the upcoming year. That is a great start. We urge all returning members to get your dues paid up for 2020 so we can plan and build on what we have already accomplished in 2019.

Also, as Gary mentioned at the meeting, our club has made so many upgrades and improvements that other clubs are taking notice and doing the same. All you have to do when you are at the field is take a look around to see what our club has accomplished. Here is a quick recap and it is worth repeating since they are truly spectacular for an RC club: Electric at the field, 2 metal covered pavilions, 2 sheds, well maintained paved stone entrance road and parking lots, 3 Zero-Turn Mowers and 1 Tractor, a refrigerator, coffee maker, microwave, portable water, gas grill, top notch Bulletin Board and weather station, snacks and beverages in the shed, full spread cookouts at the field, and signage to help coordinate our activities. What an accomplishment and we all should be proud to be part of this great club!

I am looking forward to the 2020 flying season with great anticipation and hope to see all of you at the field. I can easily say that we call each other "Friends" and can't wait for the next day at the field. Like Bob Walker always texts....there's 100's out here so come on out!

Thanks for such a great club! Ron

This is Dale's team that set up the Christmas Party buffet table, ordered and picked up the food, and hung all the decorations on the Friday before the party. They have done this every year to make the party enjoyable for all of us. Thank you for your efforts, we really appreciate it!

We had approximately 15 plane kits for raffle prizes held during the Christmas party. Thanks to Ed Sugg and Bill Loerop for donating several kits to the club for the raffle and to Fred Visnaw for helping to get planes at a discount through his company, Sullivan Products.

Flying in the Gym

40th Annual Lebanon Valley RC Expo

Hosted by the Central PA Aeromodelers Association
Lebanon, PA
Saturday, March 14th, 2020

In year's past, three of our members had 2 tables reserved for selling RC stuff at this event. Last year Tom Insley had the use of the reserved tables and in prior years Steve and Jim Snyder have used them.

For the 2020 Flea Market, Tom Insley has received the informational flyer for the same 2 tables, as you can see in the two flyers below. Tom is offering up one or both of the tables to anyone that wants to sell some RC stuff. All the details you need to reserve the tables for your use is included in the flyers. Please contact Tom Insley (Mobile: 443-876-2886) if you are interested in taking over and reserving these tables. As always, you will have to cover the cost of the table(s) and your admission ticket.

Please note the deadline to reserve one or both of these tables is December 31, 2019.

VENDOR GUIDELINES

- Please return your vendor letters by Dec. 31st. Any letters not received by that date will lose space/spaces. I understand things happen, so at any time if you cannot attend the EXPO, and would like to keep your reservation for the future please contact me.
- Please use the email feature if you have to contact me, I do not monitor the phone number as much as I do my email box
- The morning of the event, please try to be in your space/s by 9 A.M. any empty spaces after that time are subject to forfeit.
- All vendors must report to main entrance to receive a hand stamp before admittance to the EXPO for setup.
- There is parking in the rear of the complex for RV, campers, and trailers however, there are no hookups.

Please do not block parking spaces, or entrances while unloading to set up in the morning. There are many vendors that need to get product in the building. Thank you for taking the time to read these guidelines. Hoping for a great year this year!

RC Vendor listing:

If you have a "Vendor" that you use and would like to add it to our RC Vendor Listing, please send me an email with the details and I will add it to the list. Sharing this information will help new & old members alike. Thank You... ronlazzeri@verizon.net

Membership Dues Policy “Revised March 2019”:

At the March 16th club meeting, the Board and attending members discussed our current club’s Membership Dues Policy and came to an agreement on a new set of guidelines to make it clear and fair for all members, new and existing. The following Membership Dues Policy was agreed upon and adopted.

To pay your club dues for the season, either as a renewing member or a new member, please forward them to Steve Snyder, Treasurer. As you all know we depend on our dues to fund projects and general maintenance for our club.

Existing Annual Membership Renewals:

- **Annual renewal membership fee:** \$75.00
 - **Renewal period:** 1/1/YR thru 3/31/YR (Payment is due by 3/31/19)
 - **Grace period is for 2019 only:** 4/1/19 thru 4/15/19
 - *If a member’s renewal dues are not paid in full by 4/15/19, then that member is considered to be in default. If that member wants to join the club after 4/15/19, then that member is required to pay at the full new member rate. The member in default will not be permitted to fly at the field after 4/15/19 until their membership dues are paid in full. There will not be a Grace Period in 2020 and thereafter.*
 - *Note: All members are urged to pay their renewal fee as early as possible during the renewal period since club expenses are budgeted and paid based on membership fee receipts.*

New Membership Dues:

- **Full year membership fee:** \$125.00
 - **Joining period:** 1/1/YR thru 12/31/YR
 - **Fee Includes:**
 - \$75.00 annual membership fee
 - \$50.00 1st year initiation fee
 - **Note:** New members joining the club on 9/1/YR or after of that same year are considered paid in full for the current year and the immediately following year. The reason for this exception is that the current flying season is about 75% over and we want to give new members an incentive to join our club.

AMA & FAA Membership Requirements:

In an effort to ensure our club's compliance with AMA and FAA rules and regulations we are requiring that all members, whether a new member or an existing member renewal, the following documents are required to be submitted to Steve Snyder when dues are paid:

- **Swan Harbor RC Membership Form**
 - The form can be found on the Swan Harbor RC website
- **Proof of AMA & FAA membership**
 - Provide a copy of each membership's email or registration card
 - The copy must include the registration number

Note: If any member sees an unknown person flying at the field, you should ask the flyer if they have a current membership card. If they say they do not, then ask them if they would like information on how to join. Explain that membership is a requirement for flying at the field.
