

## A MESSAGE FROM THE OWNERS OF FINN & LOUIE'S

The Genoa Pizza that you have come to know and love over the last 17 years has changed hands. The previous owners have decided to retire and we are thrilled to announce that Genoa Pizza has been officially acquired by Finn & Louie's Pizzeria for 2025! While there's going to be a new name on the sign and a few changes over the next few months, you'll

still enjoy many of the same classic recipes you know and love. During the transition you will see many of the same friendly faces along with a few new faces. Owners Chris and Sarah are hoping to bring some fresh energy along with new recipes and items to the menu. We ask that you bear with us while we get settled in. We can't wait to roll out our ideas and are excited for you to experience the new Finn & Louie's!

If you're wondering what inspired us to change our name, it was none other than our two lovable Swedish Vallhunds, Finn and Louie. These two have been the heart and soul of our journey, and we couldn't think of a better way to honor them than by making them a central part of our brand.

Come on in, say hello, and share your story with us! We'd love to hear your feedback, but most of all, we want you to enjoy your experience. As locals, we're proud to serve the Community of Sharon and beyond, and we're excited to create a pizza destination that's truly worth the drive.
