

Last updated: 11/22/2021

Clock Face Remote ("us", "we", or "our") is a seller of Wearable apps. This page informs you of our policies regarding the collection, use and disclosure of Personal Information we receive from users of the Site. We use your Personal Information only for the sale of this app. Any third party collection of data for analytics, etc. is excluded from this privacy policy and is covered by the [App Store Policies](#).

Information Collection And Use

The information that is collected by this app is the name and IP Address of your Roku devices to allow the app to control those devices. All the stored data is stored within the app, is used within your WiFi environment and is protected by your WiFi firewall.

Security

The security of your Personal Information is important to us, but remember that no method of transmission over the Internet, or method of electronic storage, is 100% secure. While we strive to use commercially acceptable means to protect your Personal Information, we cannot guarantee its absolute security.

Changes To This Privacy Policy

This Privacy Policy is effective as of 11/22/2021 and will remain in effect except with respect to any changes in its provisions in the future, which will be in effect immediately after being posted on this page.
