2022 DSNP Requirements

D-SNPs must meet Medicare-Medicaid integration criteria in at least one of the following ways:

- 1 Meets requirements to be designated as a “Fully Integrated Dual Eligible” (**FIDE**) SNP
- 2 Meets requirements to be designated as a “Highly Integrated Dual Eligible” (**HIDE**) SNP
- 3 D-SNP plans notify the state of Hospital or SNF admissions for at least one group of high-risk enrollees (for the purpose of care coordination of Medicare and Medicaid covered services during a transition of care)

Fully Integrated Dual Eligible (FIDE) SNPs are designed to promote the full integration and coordination of Medicare and Medicaid benefits, by a single managed Care organization.

Example:

A member in a FIDE SNP would have one ID card and one Benefit Plan that includes Medicare and Medicaid. The claim process is integrated internally, and the providers submit one claim.

Highly Integrated D-SNPs (HIDE) SNPs are less integrated but provide coverage of Medicaid long-term services and supports (LTSS), or behavioral health services, or both, under a capitated contract between Medicaid and the MA organization.

Medicare Community Resource Support

A telephone-based program used to identify needs, leverage resources and coordinate services for members and providers by providing specific medical or health related information/education and leveraging local community-based services and other support programs available in their specific market/region.

LiveHealth Online

The image shows a screenshot of the LiveHealth Online sign-up page. On the left, there's a graphic with a laptop and a smartphone, both displaying a female doctor's face. Below this, the text reads "Sign Up Now" in a large font. Underneath, it says "LiveHealth Online brings the doctor to you! Create an account today so you can connect with a doctor, 24/7." and "If you're having a medical emergency, call 911." At the bottom left of this section is a "Learn More >" link. On the right, there's a "Sign Up" form with fields for "First Name*", "Last Name*", "Email*", "Confirm Email*", and "Password*". Below these fields is a checkbox for "I agree to the following: Terms of Use and Privacy Policy.*". At the bottom of the form is a green "Sign Up" button and a link for "I already have an account. Flex Card – Dental, Vision, Hearing* New

FLEX CARD

Annual allowance to be used to reduce out of pocket costs for Dental/Vision/Hearing services. The debit card is prepaid by the plan and can only be used at certain provider or merchant types. Cosmetic procedures are not covered under this benefit.

**Benefit availability varies by plan*

How does it work?

- Once a member requests the benefit and is enrolled, they will be sent a MasterCard debit card that can be used at any dentist, optometrist, or audiologist

What can it be used for?

- Any goods and services covered by the dental, hearing or vision supplemental benefit

Is there a pre cert requirement?

- No qualification is required. All members in a plan with the Flex Card benefit are eligible.

What else?

- The full annual amount is available once they are enrolled in the benefit. The balance does not roll over at the end of the year.
- The counter or internal stores at almost ALL big box stores are separate stores within stores with their own Merchant Category Code (the code that allows Mastercard to distinguish and restrict merchant types). For example, a vision center inside of a Wal-Mart.

PAPA PAL

Companionship to target social isolation and companionship. Papa Pal can also provide limited assistance with activities of daily living (ADL) enforce gaps in care such as HRAs, Flu Shots, Medication Adherence, etc.

**Benefit availability varies by plan*

How does it work?

- Once a member requests the benefit and is enrolled, they will be contacted by the Papa and matched with a suitable Papa Pal (vendor name for their staff). Papa will set up an initial visit and subsequent visits throughout the year until the benefit has been used.

What can it be used for?

- It is primarily intended to help members with social isolation

Is there a pre cert requirement?

- No qualification is required. All members in a plan with the In-Home Support benefit are eligible.

What else?

- In many cases these are college students, but they are put through a credentialing process by the vendor including background checks and a variety of training.
- Members are provided up to 60 hours per year in companionship and assistance Independent Activities of Daily Living, such as helping with light chores, errands, tech support and more.

ADVANCE DIRECTIVES

Member facing tool that allows for creating, recording, uploading, storing, editing and accessing an Advanced Directive. Provides members help in affairs planning, including guidance on estate planning and medical directives.

**Benefit availability varies by plan*

How does it work?

- After logging into the site either via a dedicated portal or via a link from their member portal, a member can create a new medical directive or upload/scan an existing medical directive.

What can it be used for?

- Ensure a member's medical wishes can be made known to a physician if they are unable to do so on their own.

Is there a pre cert requirement?

- No qualification is required. All members in a plan with the Advance Directives Program benefit are eligible.

What else?

- The software supports a number of industry standard formats. Documents can be stored in the system.
- An online service to create, upload, store and share their advance medical directives and related documents to ensure their medical care is administered according to their wishes in case they are unable to speak for themselves.
