

NONPROFIT SECURITY

GRANT PROGRAM

At VBCP we are excited to give back to our communities and want to ensure that they are as safe as possible. This is why we volunteer our time and certified practitioner expertise to provide no cost Threat Vulnerability Risk Assessments and Non-Profit Security Grant Program grants writing services.

We help you to secure grant approval of federal and state agency grants to protect your organization from becoming a victim of extremist violence.

Grant funding addresses potential vulnerabilities and protects against potential acts of terrorism and other acts of violence, ensuring that nonprofits and houses of worship can continue to fulfill their vital missions while fostering safe environments for their members, employees, and the public.

We are the largest and #1 resilience nonprofit composed solely of military readiness experts Certified Business Continuity Professionals

Our DRI International trained and certified crew are comprised of the top military senior staff whose talents matter to your organization

HOUSES OF WORSHIP

SECURITY GRANT SERVICES AND PLANNING

Available in all 50 states

veteranbcp.com

PERFORMED BY

DRI CERTIFIED PROFESSIONALS

HOUSE OF WORSHIP SECURITY GRANT

Up to \$150,000

WHY PLAN?

According to 2023 data analysis of the FBI National Incident-Based Reporting System (NIBRS). Houses of worship in America experience over 100 incidents of violent attacks every year.

WHAT WE DO?

We offer our “turnkey services to secure grant funding for your organization.” When approved, use this funding to pay the cost of physical security and protocol to harden your security environment against threats of extremist violence. While not obligated if you value your organization and expertise please consider hiring us at competitive pricing to perform project management, planning, and training/exercises. All costs are covered by grant funding.

VBCP GOAL

As the nation's top CBCP experts our aim is to help organizations posture against becoming a potential target by protecting what matters most

- People.
