

*To stake out your divine protection and divine health and take the kingdom of God by force, pray these prayers daily:*

- O heavenly Father, may you watch over and protect me and my family. Keep us safe from all danger and harm, keep us safe from the Evil One, by the power of your name, the name above all names, in Jesus name, amen!
- If you make the LORD your refuge, even the Most High, your habitation, then no harm will befall you, no disaster will come near your dwelling, for He will command his angels to watch over you and guard you in all your ways!
- Jesus was wounded for our transgressions, crushed for our iniquities. The punishment that brought us peace was upon Him, and by His wounds, we are healed!
