Nefertari

Nefertari, which means “beautiful companion” and was one of the best known Egyptian Queens, inspired the name of this 100% natural body care product.

Created by Dr. Mona for her daughter who was highly allergic to nearly everything, the entire collection is all natural, handmade in Cairo / Egypt, environmentally friendly, free from any preservatives, coloring agents and artificial fragrances.

The products you have in your stateroom bathroom are also the products from Nefertari.
