COMING SOON

Sara Mann Interior Design

Montreal, QC – April 2025 – Sara Mann Interior Design is excited to announce a strategic partnership with DMEX Construction, a leader in residential and commercial construction. This collaboration combines the talents of two industry powerhouses to offer clients a streamlined, luxury design-build experience, where construction and interior design are seamlessly integrated from start to finish.

A Perfect Union of Craftsmanship and Design Expertise

This partnership brings together Sara Mann, known for her sophisticated and timeless interior design work, and DMEX Construction, renowned for its precision and high-quality construction services. The result? A holistic, end-to-end service that ensures every space is thoughtfully designed, expertly built, and perfectly executed.

DMEX CONSTRUCTION • GESTION

Sara Mann is celebrated for her ability to blend modern design elements with classic, luxurious touches, creating spaces that are both beautiful and functional. DMEX Construction is known for its meticulous attention to detail, commitment to quality, and ability to turn complex projects into seamless, on-time deliveries. “We’re thrilled to be joining forces with DMEX Construction,” says Sara Mann, Founder of Sara Mann Interior Design. “This partnership

will allow us to provide clients with an integrated service that combines the art of interior design with the science of construction. Together, we can craft personalized, high-end spaces that truly reflect our clients’ unique styles and needs.”

Designing and Building Luxurious, Functional Spaces

With Sara Mann Interior Design and DMEX Construction working hand in hand, clients can expect a highly collaborative process,

starting from the very first concept to the final, impeccable finish. Whether designing a luxury home, modern office, or high-end restaurant, this partnership promises a smooth, cohesive experience and stunning results.”

- **Residential Projects:** From custom homes to full-scale renovations, the combined team will ensure each project reflects the client’s personality, lifestyle, and preferences, while maintaining a focus on high-end materials and finishes.
- **Commercial & Retail Spaces:** Whether designing dynamic office spaces, elegant restaurants, or stylish boutiques, the collaboration will deliver environments that are not only visually striking but also functional and aligned with the brand’s goals.
- **Hospitality Design:** For hotels, lounges, and event spaces, the team will create inviting, stylish environments that leave a lasting impression on guests and enhance their experience.

What Clients Can Expect

- **Seamless Collaboration:** By combining Sara Mann’s interior design expertise with DMEX Construction’s top-tier construction management, clients will enjoy a smooth, cohesive journey from start to finish, with no need to coordinate between multiple teams.
- **Bespoke Design:** Every project is customized to the client’s needs, blending high-quality construction with thoughtfully curated design details to create luxurious, functional spaces.
- **High-Quality Craftsmanship:** Both Sara Mann Interior Design and DMEX Construction are committed to excellence, ensuring that every element of the project, from architectural integrity to design execution, meets the highest standards.

“This collaboration combines the talents of two industry powerhouses to offer clients a streamlined, luxury design-build experience, where construction and interior design are seamlessly integrated from start to finish.”
