

LEADERSHIP GOLD

Discover the keys to leading yourself, so you can lead others.

Gaining leadership insight is a lot like mining for gold...

You don't set out to look for the dirt. You look for the nuggets. You'll find them here.

If smart leaders learn from their own mistakes, then smarter ones learn from others' mistakes—and successes.

John C. Maxwell wants to help you become the smartest leader you can be by sharing Leadership Gold with you. After nearly forty years of leading, Maxwell has mined the gold so you don't have to and he has compiled those lessons into this a collection of lessons he has learned about leadership.

Each chapter contains detailed application exercises and a "Mentoring Moment" for leaders who desire to mentor others using the book.

In this Lunch & Learn, we will discover the keys to success for every leader.

- **Why the secret to leadership success** lies in making room for others to lead
- **Why the toughest person to lead is yourself**
- **How leaders distinguish themselves** during tough times
- **The secret to a good meeting**

And you will learn so much more...
