Kawasaki Kisen Kaisha, Ltd

“K” LINE Awarded CDP’s “Supplier Engagement Assessment” A score

Kawasaki Kisen Kaisha, Ltd. (“K” LINE) is pleased to announce that the company was awarded the “Supplier Engagement Assessment” A score for the eighth consecutive year, the top rating, on “Supplier Engagement Assessment” from CDP, which is a non-profit global organization (NGO) engaged in investigating and disclosing environmental information.

The “Supplier Engagement Assessment” evaluates the companies’ initiatives for climate change and greenhouse gas emissions throughout the supply chain and ranks the companies in line with their efforts. Our strategies and initiatives were evaluated via the “Supplier Engagement Assessment”. This year 1,945 companies, including about 400 Japanese companies were recognized on the “Supplier Engagement Assessment” A score worldwide.

“K” LINE Group has consistently worked to enhance its information disclosure based on a comprehensive understanding of climate change and natural capital, and will continue to further advance these efforts toward sustainable growth and increased corporate value.
