Kawasaki Kisen Kaisha, Ltd.

“K” Line to Support Victims of Typhoon Rai (Odette) in the Philippines

Super Typhoon Rai (known in the Philippines as “Odette”), which made landfall in the central Philippines from December 16 to 17, caused severe damage to the area. We would pray for the repose of the souls of those who lost their lives and express our heartfelt sympathy to those affected by the disaster.

Kawasaki Kisen Kaisha, Ltd. (“K” LINE) has decided to donate 2 million yen through The Rayomar Outreach Foundation, Inc. (ROFI*), a charitable organization established by the Rayomar Group, our business partner in the Philippines, in order to help everyone affected by the disaster as well as to support disaster recovery efforts in the affected areas. In addition, since a large number of seafarers from the Philippines are on board the vessels operated by “K” LINE, we will consider to provide seafarers and their families with financial support.

We would sincerely pray for the earliest possible recovery of the disaster-stricken areas.

*ROFI: a charitable organization to support a livelihood, medical care and education, as well as to as to collect donation and to support volunteering activities.
