

WESTERN MICHIGAN CHAPTER FORMATION HAPPY HOUR

FREE TO ATTEND

ADVOCATING FOR YOU IN THE MICHIGAN TRENCHES

The National Utility Contractors Association (NUCA) is the only national trade association dedicated solely to the utility construction & excavation industry. Our industry is strongest when we work together. NUCA and the new Western Michigan Chapter here will help members solidify industry relationships, create new business opportunities, reduce business costs, raise industry safety standards, & shape important industry regulation & legislation impacting member business.

**Oct. 22nd, 2024
5:00 - 7:00 pm**

**5301 Northland Dr. NE
Grand Rapids, MI 49525**

At The Reception You'll:

- Meet NUCA National CEO Doug Carlson & learn about the National Utility Contractors Association (NUCA).
- Hear from NUCA leadership about the value and impact NUCA Chapters deliver for contractors & the industry in their regions.
- Network with other Western Michigan area utility construction industry leaders & discuss solutions to industry issues in the area.

Thank You Host Committee!

*Together, we will build a safer, stronger,
and more profitable underground utility
industry for Michigan and America!*
