Kid Behavior Code

All campers are expected to follow basic rules of behavior, including respecting themselves, others, and equipment/materials. Camp Coaches/Staff will review our behavior policies with all campers at the start of each day. Campers will not be forced to do anything they do not want to do. Kids who do not want to take part in any activity may want to bring a book to read. Cell phones and electronic devices will not be allowed during the camp hours of 9am to 3pm, even for those campers not participating in an activity. We will not tolerate disrespectful behavior, bullying, foul language, or violence of any sort.

First Incident:

During the camp, if child behaviorally acts inappropriately as determined by Summer Camp Staff, the child will sit out for 5 minutes. This is their first warning.

Second Incident:

If the same child continues to behaviorally act inappropriately after their first warning has been given, child will sit out for 10 minutes. This is their second warning.

Third Incident:

If the same child has not changed their behavioral actions as a result of the first two warnings, the child sits out for the rest of the day.

After the third warning the parent will be notified of their child's inappropriate behavior upon pickup at the end of the camp day. If the child's inappropriate behavior continues the next day, a parent will be called and the child will sit out from camp activities.

NOTE: Safety America has a zero-tolerance bullying/hitting policy. If a child is seen bullying or hitting another camper, the child will immediately sit out from all camp activities, a parent will be called to come and pick up the child, and the child will not be allowed back at camp. **There are NO REFUNDS if your child is suspended from camp.**
