

Introducing MPS-Revive: Furnished Bedrooms for Mobile Medical Travelers

We understand the unique challenges that come with placing mobile healthcare professionals — especially when it comes to securing safe, flexible, and comfortable housing.

MPS-Revive was created to help solve that problem.

We offer fully furnished, private bedrooms in a peaceful single-family home in **Clayton, North Carolina**—ideal for locum tenens, travel nurses, medical students, allied health professionals, and other medical travelers. Each unit is designed with the clinician's comfort and security in mind.

What Makes Us Different

-  Private, lockable bedrooms – a shared home with professional-grade privacy
-  All-inclusive pricing – utilities, Wi-Fi, laundry, and furnishings included
-  Flexible terms – ideal for 4–13-week assignments or shorter or longer
-  Professionally cleaned and maintained
-  Located near major medical employers in Johnston County

Let's Partner

We're not a booking platform — we're a local housing partner committed to supporting your agency and clinicians directly.

Whether you need last-minute placement options or reliable, repeatable housing for incoming staff, MPS-Revive is here to help.

Would you be open to receiving a property guide or scheduling a brief intro call?
