Summer Session ~ Triskelee Sprouts Farm School

The summer session at Triskelee Sprouts combines the beauty and wonder of a 25-acre working farm with the hands-on learning philosophies of Montessori and Waldorf education. Each day is built around a rhythm that includes activities in the classroom, free play in our large yard, and time outdoors on the farm! The preschool classroom is a warm, home-like environment with open space for play, and materials and activities that are made from natural materials.

Our summer session highlights activities that take place throughout the school year, simply consolidated into six weeks. Some of these include:

- Interacting with and caring for the animals on the farm
- Exploring the outdoor spaces
- Garden harvesting and care
- Weekly cooking or baking projects

And extras!

Tie-dying, face painting, outdoor water play, natural material art projects, and theater and music performances to name a few.

Sign up for individual weeks, or for the entire five-week session.
