

Summer Session ~ Triskelee Sprouts Farm School

The summer session at Triskelee Sprouts combines the beauty and wonder of a 25-acre working farm with the hands-on learning philosophies of Montessori and Waldorf education. Each day is built around a rhythm that includes activities in the classroom, free play in our large yard, and time outdoors on the farm! The preschool classroom is a warm, home-like environment with open space for play, and materials and activities that are made from natural materials.

Our summer session highlights activities that take place throughout the school year, simply consolidated into five weeks. Some of these include:

Interacting with and caring for the animals on the farm
Exploring the outdoor spaces
Garden harvesting and care
Weekly cooking or baking projects

And some extras!

Tie-dying, face painting, outdoor water play, natural material art projects, and theater and music performances to name a few.

Enrollment is limited, so sign up now! *Priority placement is offered to current and incoming students and siblings. Sign up for individual weeks, or for the entire five-week session.

Our summer session is offered four-days per week, Monday - Thursday. It is available for children ages 3-7. Please select the program dates and days per week that you would like to be considered for. A \$15 per week sibling discount will apply for families with more than one child attending.

Half-Day Program

8:00am - 12:00pm
