Client Testimonials

"Blueprint IT Consulting LLC was instrumental in our Agile transformation. The consultants demonstrated deep subject matter knowledge and practical experience.
They made me feel like our organization was their number one priority. Every matter I brought to them was handled with urgency and attention."

"Since implementing Scaled Agile with Blueprint IT Consulting LLC, we've seen a significant transformation in our organization. We're now delivering new features to our customers faster, with improved quality. Our employees are more engaged and empowered to innovate. We're confident that Scaled Agile will continue to be a key driver of our success in the competitive financial services industry."

"Leading SAFe 5.0 Certification Class by Blueprint IT Consulting LLC - great class with interactive exercises and simulations. The instructor had a wealth of real-life examples."
