

Salt Spring Island

Neighbourhood Farm Program

✓ Do you have land that needs a farmer?

✓ Are you a farmer looking for land?

✓ Do you want to support a local farmer and eat locally grown food?

✓ Do you want to start a farm that grows food for your neighborhood?

✓ Check out Salt Spring Island's Neighbourhood Farm Program!

The Neighbourhood Farm Program combines professional farmer training, matching trainees with land, and selling to neighbours and local markets. We are looking for people who want to help grow our island's local food system!
