

# SEIZING VEHICLES FOR WASTE CRIME OFFENCES

## COURSE OVERVIEW

Fly tipping continues to harm our environment, deplete public resources, and undermine legitimate businesses. Enforcement authorities have powers to seize vehicles, trailers, mobile plant, and their contents where there is reasonable suspicion that they have been, or will be, used in specified waste offences.

## LEARNING OUTCOMES

- Understand the legislative framework for seizing vehicles involved in, or suspected to be involved in, waste crime.
- Identify circumstances where seizure powers apply.
- Know the operational procedures for vehicle seizure.
- Know how to assess risks, identify evidential thresholds, and consider proportionality.

## COURSE FORMAT

Duration: Three hours

Method: In person or online

Materials: Course handouts provided

Certification: Completion certificate provided

## AUDIENCE

This course has been designed to equip enforcement officers, investigators and managers with the knowledge, skills and confidence to lawfully and effectively seize vehicles involved in relevant waste crime offences.

## BENEFITS FOR ORGANISATIONS

- A clear operational toolkit for lawful vehicle seizure
- Confidence in applying seizure powers proportionately
- Strengthen your organisations ability to tackle waste crime
