

MANAGING INVESTIGATIONS AND AUTHORISING PRIVATE PROSECUTIONS

COURSE OVERVIEW

This course will provide a solid understanding of key procedural legislation that underpins professional investigations. Ensure that you know how to support your team in meeting legal obligations, maintaining integrity, and upholding best practice throughout the investigative process. The course will also provide an understanding and increase confidence in decision-making and authorising cases for prosecution.

Whether you are a manager, supervisor, or team leader, this training will equip you with the knowledge and confidence to ensure that investigations are conducted lawfully, ethically and effectively.

LEARNING OUTCOMES

- Understand the legal framework governing criminal investigations and prosecutions.
- Ensure your team operates within the law and with professional integrity.
- Recognise the responsibilities of investigators.
- Develop strategies, policies and procedures to manage and support investigators effectively.
- Understand special considerations when dealing with vulnerable victims, witnesses or suspects.
- Know how to make effective decisions for prosecution, including considerations under ECHR.

COURSE FORMAT

Duration: Two days

Method: In person or online

Materials: Course handouts provided

Certification: Completion certificate provided

AUDIENCE

This essential course has been designed specifically for supervisors and decision-makers in law enforcement, regulatory bodies, and public and private organisations which are involved in undertaking criminal investigations.
