

# ENVIRONMENTAL ENFORCEMENT: INVESTIGATING LITTERING OFFENCES

## COURSE OVERVIEW

Littering is more than an eyesore – it's an environmental crime that impacts communities and can lead to further problems.

This course has been designed to provide the knowledge and practical skills needed to tackle and investigate criminal offences of littering, and the civil offence of littering from vehicles.

## LEARNING OUTCOMES

- Understand the legislation surrounding the offence of depositing litter.
- Know the process for issuing fixed penalty notices for littering offences.
- Know the process for issuing civil penalty notices for littering from vehicle offences.
- Consider methods of investigation for littering offences

## COURSE FORMAT

Duration: Three hours

Method: In person or online

Materials: Course handouts provided

Certification: Completion certificate provided

## AUDIENCE

This course has been designed to equip enforcement officers with the knowledge, skills and confidence to lawfully and effectively investigate litter offences.
