The monthly newsletter of Immanuel Lutheran Church

February
2026

*Abraham answered, "Let me take it upon myself to speak to my lord,
I who am but dust and ashes.*

Genesis 18:27

February is a season of change for the church. We go from the afterglow of the Christmas and Epiphany seasons into the solemnity of the Lenten season. The changing of the church seasons will be particularly profound here at Immanuel as we go from a 1st Communion celebration on February 15th into the imposition of ashes on Ash Wednesday, February 18th. Even in the midst of joy, we are ever reminded that we are dust and to dust we shall return.

Although Lent does not begin until the 18th, now is a good time to start preparing in order to make Lent more meaningful this year. Traditionally, Lenten preparation has included three key elements, prayer, fasting, and almsgiving, although we seem to concentrate on the fasting part, giving something up. So, let's consider ways to practice these ancient concepts to help grow a stronger faith.

Change up your prayer habits. Add something new. Daily devotions if that has not been your practice. A daily scripture reading or simply a time set aside for reflection can also help bring us closer to God. Instead of thinking of fasting as giving something up, make it something that distracts you from God or that leads you into unhealthy habits. And that may be different for each person. For some it may be social media, for others overeating or drinking. Gossiping or complaining. We could all stand to replace our distractions and bad habits with something positive like volunteering. Finally, the touchy subject of almsgiving. As we gather our information for tax preparation, it's a good time to reevaluate our giving, whether to the church or to other causes which touch our hearts.

If that all seems too challenging, I have found a simple 4-point plan to make our Lenten preparation more manageable:

1. Pray & Reflect:

Ask God where you need to grow and what God wants you to focus on this Lent.

2. Write it Down:

Make a concrete plan for your prayer, fasting, and almsgiving goals.

3. Be Realistic:

Choose sacrifices that are challenging but achievable, not so minimal they have no impact or so large they lead to failure.

4. Focus on "Being":

Think about how you want to be (more thoughtful, quiet) as well as what you want to do.

May Lent be a time that brings you closer to God and closer to what God wants you to be.

Blessings.
