

Immanuel Evangelical Lutheran Church

Evangelical Lutheran Church in America

God's work. Our hands.

October 23, 2024

Dear Immanuel Friends,

Exterior repairs on our church building (mortar and waterproofing), approved at the special congregational meeting July 21, 2024, have been completed. The total cost was \$46,511 which has been paid out of Foundation funds. As discussed at the congregational meeting, we are providing a special giving opportunity to reimburse the Foundation in order to maintain an adequate cash reserve to meet future needs. We are inviting you to participate by pledging to a two-year fund drive specifically to cover the monies required for the repairs. This would be separate from your regular giving to the general fund of the church. Pledges must be fulfilled by December 31, 2026.

We greatly appreciate your support of Immanuel, through involvement in service and financial contributions. We also recognize the challenges of the current economy. Please prayerfully consider participating in this fund drive as you are able and return the enclosed pledge form at your earliest convenience.

Sincerely,

Immanuel Church Council members:

Gary Arpin

Dorothy Hanna

John Swisher

Alisha Cooper

Janet Ireton

Eugene Tillberg

Rick Gibson

Randy Olson

Pastor Jacque Thornton
