

THE MOJO WAILERS BAND

THE BAND

Since 2016, The Mojo Wailers Band has performed as a group of dedicated musicians united by the joy of performing timeless music and creating live experiences that bring people together.

Inspired by the sounds of Motown, Stax, Muscle Shoals, and the blues traditions that shaped them, the band performs a thoughtfully curated mix of rhythm & blues, soul, blues, classic rock, and timeless favourites. Every song is approached and arranged with the unmistakable Mojo Wailers retro sound—warm, soulful, groove-driven, and unmistakably live.

Performing throughout Southwestern Ontario, The Mojo Wailers appear at festivals, casinos, wineries, breweries, theatres, community events, active adult communities, corporate functions, and private celebrations.

MUSIC THAT FEELS HUMAN. BECAUSE IT IS.
