A COBBLESTONE COMMUNITY

FROM THE DESK OF

Peter Nguyen, Desertscape Park Manager

Hello everyone,

My name is Peter Nguyen. I am the new Manager at Desertscape. I know, I know, another new Manager. While I am the newest Manager, I have been at Desertscape for a little over a year and I love this community because of the residents. Each one of you help bring a smile to my face.

Moving forward, my goal is to try to get the community more involved with events and hopefully spread more positivity around the community.

I know the clubhouse is still under construction, but it is almost finished. One of the contractors was abducted by aliens to help fix their spaceship. (He is okay.) Everything will be new and updated and ready for large events.

We have a lot of events planned for when the construction is finished. We are almost there and can't wait for everyone to see the finished clubhouse. If there are any issues, concerns or problems, please feel free to come see me at the office. The door is always open and I am here to help where I can.

Have a Fantastic Day!!!"

Thank you!

"September-born people are the perfect examples of perfectionism. They always stick to their work, and they always want their work done on time with perfection".

- Astrologer Bejan Daruwalla.

A MESSAGE FROM THE PRESIDENT *Patrick McCombs*

I was having difficulty writing this piece as it is still early August. For inspiration, I read what I wrote last September. Well, it was exactly what I was going to write this month. Early lead time to submit the article. Nothing happening in August to talk about. Uncertainty about the construction completion. Discussion of possible upcoming events. The start of football. Has nothing changed in a year?

Well, yes there have been a lot of changes! The palm trees have all been trimmed. Construction is well on its way and while we can't really see what the final product will look like, we can see that they are actually doing the work. Promises made about an early September completion may have been optimistic, but we are not that far off now. Last summer, Rob had left and Rose was just getting her feet in the water. Now Rose is gone, and her replacement Ron is also gone, and Peter is our new manager. Peter has now been at the park over a year, through all the management changes and knows who the residents are and their individual issues. He also knows what the problems in the park are and is getting underway to address them.

One thing I'm seeing is that Cobblestone as a management company expects certain things from their parks and park residents. You can expect more pressure on keeping your yard area clean of weeds and junk. And the definition of junk is theirs not yours. You may think that decorative pink giraffe in your front yard is cute, but if Cobblestone thinks differently, it may need to go. So remember to check with the office before any renovations or major decorations outside, new windows, doors, paint, skirting, any major change, verify with the office before spending your money. If it is not within guidelines listed in the Rules and Regulations, you may need to change it back. And if you don't have a copy of the Rules and Regulations, the office has copies and there is a copy in the legal section of the website.

Well, that last paragraph was certainly a downer! But good things are happening as well. As soon as the construction is done we are going to have a billiards tournament. Some of you "winter visitors" (I call you snowbirds, but then I've never been particularly PC) might miss the first one, but I'd like to have a monthly tournament, so you can be in the next one. I still need to find some good trophies and a nice trophy case. Any of you out there good at woodworking who can make a case for our trophies? As soon as it cools down, we'll have Bocce Ball training and games, as well as Pickle Ball training and games. Eventually, we'll have tournaments with those games as well. As we get better, maybe road tournaments with sister parks. With our new facilities, we can do much more than we have in the past and I'm looking forward to them.

THE DESERT ANGELS *by Allison Hawley*

The Desert Angels meet once or twice a month to make greeting cards for a number of organizations including Veterans of all ranks who served in World War II, the Korean war and the Vietnam War. Other cards made by the Angels are sent to Caregivers, nursing home residents and new parents.

Designed and created by members of the Desert Angels, each card is unique and created specifically for its recipient. Members of Desert Angels purchase their own art supplies and postage. Donations of craft store gift cards, postage stamps, your unused cards and cash are always welcome and can be taken to Sheila at A190.

The Angels have been busy!

One last thought. Next month is October. In October we will be having nominations for the open Board positions. All but one position is open, so if you want to help co-ordinate some of our events and activities, now is your chance. I will not be returning as President but will continue to be involved in the Park's activities in some manner. Being on the Board is, well, rewarding. I couldn't really call it "fun", but we do have a bunch of fun putting events on. On the upside, you generally have the inside scoop on what is going on in the park. And even better, you can have a say in what activities and events are being offered. So step up and be involved. If not you, then get your neighbor to run. Tell your neighbor you'll help them. Hey, this is an election. It is politics. Lie if you have to, just get a name on the ballot!

With that I am done for another month.

ACTIVITY DIRECTOR'S MESSAGE

by Gail Brazell

Here we are the beginning of September. That means fall is here and schools are starting. Well, that used to be what happened in September, as I remember being a kid. Goodness how things have changed, school now starts in August, and as far as fall goes, we can start to enjoy around the end of October. So I say

to myself and I'll pass on to all of you, be patient, fall will be here soon. Here are some activities being planned for this month. Tuesday, September 10th. we will be having Taco Tuesday catered by Carolinas food truck. They will be offering three tacos, either beef or chicken. The September birthday bash will be on September 17th. at Rustlers Rooste. Remember, it does not have to be your birthday to attend the Birthday Bash dinners. One little last bit of information if you don't see me around the week of September 23rd., that's because I'm letting the kid in me out. I'm going to "Disneyland" just had to do it, "One More Time!" See all of you when I get back.

Pearl Parsons

The September Resident of the Month is Pearl Parsons.

Pearl watches over the residents here in the Park because she cares about each of us and does her best to provide help in ways that are needed.

A disabled Veteran of the U.S. Navy, Pearl understands the importance of being of service to others and we thank Pearl and all of our Veterans for their service.

When asked about the care she shows her neighbors, Pearl answered, "Because I'm a Christian and that is what we're to do. To love on each other no matter what and no matter who they are, no matter what circumstances they're in. I don't get the glory but God does."

WOMEN'S CLUB

by President Cheri Kramer

The Desertscape Women's Club has not been meeting during the Summer months, but that doesn't mean we have not been getting events ready for the fall months ahead.

In this September Newsletter there is a full page announcement with information about Flu Shots being given here at the Park for all residents on October 12th, at no cost. I urge that everyone take advantage of the day, as the Phoenix Fire Department is sending in a ten-person team who will be giving their time to come and administer the vaccines.

I hope to see a HUGE turnout of our residents.

Thank You

WINNER!!!

Sadie

Charlotte Murphy, owner

I have a special dog named Sadie. I rescued her several years ago from MCACC.

She was a "stray" yet already spayed.

She was very fearful of people and that's why she was on the E List (euthanasia).

She warmed up to me and I adopted her. She has been a blessing in our lives (me and the 2 cats).

We are a bonded "senior" family.

SEPTEMBER BIRTHDAY BASH

BEEF AND BREW WITH A VIEW

LET'S CELEBRATE SEPTEMBER BIRTHDAYS!

Time to dust off those cowboy boots and get ready to slide into Rustlers Rooste for the September Birthday Bash on Tuesday, September 17th at 5:30 pm.

Rustlers Rooste is located at 8383 S 48th St, Phoenix, AZ 85044. Remember, it does not have to be your birthday to attend the Birthday Bash dinners. Call Gail Brazell to let her know you're attending and inquire about car-pooling to the restaurant.

GOOD TIMES *at Desertscape*

Happy times come and go, but the memories stay forever. Enjoy our collection of photos featuring Desertscape events and residents!

A big thank you to Cobblestone for providing the good food and a cool place for the residents to get together.

August Birthday Bash at Ah-So Teppanyaki

August birthday girls, Linda Lewin and Mary Jane Caraher, celebrated with friends at Ah-So, a teppanyaki restaurant. Our chef, Checko, did a great job and it was cool to watch him cook the food on the grill in front of us. All in all, very good food and a fun experience. Hoping all of you who celebrated a birthday in August had a very happy birthday!

THE GARDEN GUYS, brought to you by your neighbors Dan and Michael whose beautiful gardens can be admired at C-III

September 2024

September - the month when one begins to think of what to plant this fall. Next month the garden centers and nurseries will have the fall flowers and vegetables arriving and it is not too early to begin thinking about where to plant them. This year we should make it easier on ourselves and give pots and containers a try. It also gives the gardener the chance to choose the right soil for that special plant.

There is no real difference between a pot or a container. Pots come in all shapes, sizes and styles. The lightest materials for a pot or window box are plastic, foam, resin or fiberglass (the latter being the most easily paintable). There are many highly decorated ceramic pots that can be quite expensive, but used ones can be found at an affordable price at your local thrift store. Next is terra cotta, extremely versatile and very porous, which allows the roots to breathe, providing faster plant growth. Terra cotta pots do dry out more quickly and must be watered more often. If your terra cotta pot has been treated with a sealer it will require less water. Wood, such as old barrels, planter boxes or window boxes should be treated with an exterior wood sealer, both inside and out, in order to help keep your container from rotting.

It is easy to improvise your own container from recycled household objects. Anything that will hold potting soil

and allow drainage is a potential plant container. Look around your home for any receptacles ready for a new life. Get creative! You can do this! Old colanders, tin buckets, old baskets, wooden crates, an old wagon, a washtub or even a wheelbarrow can make a stunning statement. Containers are all about flexibility and they give the gardener the opportunity to introduce shape and color where it is needed.

Growing plants in containers lets you have a garden even when your space is limited. A planter box can be installed below a window or use containers to turn your deck or patio into a tropical paradise. Gardeners who have plenty of room appreciate containers too, valuing the versatility they offer. Blooming potted plants bring seasonal color to garden beds, porches or front steps and are easily replaced with new ones once their flowers fade.

Just as important as the pot or container you choose is what you put in it. A good all-purpose potting soil will allow the roots to grow easily and quickly. It should be fast draining yet moisture retentive. Quick drainage means they won't run the risk of suffocating in soggy soil. Good water retention also saves you from having to water too often. Regular garden soil, even good loam, is too dense for container use. For the best success, many gardeners have turned to packaged potting mixes containing organic materials like ground bark, peat, coconut fiber and compost

Taco Tuesday

On Tuesday, September 10th Carolina's Food Truck will be in the Park from 5:00-7:00 p.m. The cost for three beef or chicken tacos is \$5.00.

PATRIOT DAY
WE WILL NEVER FORGET

with added mineral matter such as perlite or agricultural sand. Your local nursery or garden center will have many varieties to choose from. A 2-cubic foot bag of potting soil contains enough to transplant 8 to 10 plants from 1-gallon nursery containers into individual 10 to 12 inch pots or fill a 36 by 8 by 10 inch planter box.

What a wonderful time of year for us Phoenix gardeners. There are so many varieties of seeds, vegetables, herbs and flowers that grow so well here in the winter that it makes it difficult to decide what to plant. Maybe a trip to the garden center might be in order.

Happy Gardening!!

Recipe of the Month

HEALTHY CHIPS, by Caren Bailis

Ingredients

- One russet potato
- Salt
- Cooking oil (I use sunflower)

Ingredients

- Cut the potato on the thin setting of a mandolin slicer (watch those fingers!)
- Put them in a bowl and add cooking oil and salt. Mix.
- Put parchment paper on the microwave plate. Place potatoes on the paper.

Microwave for 3-6 minutes depending on the size of the chips. I start with 2 or 3 minutes then add 30 seconds at a time until they start to turn a little brown.

Only 3 ingredients, no additives!
