"SHARING GIFTS & DEEPENING FRIENDSHIPS"

Do you realize many of us have known each other for a decade? We have been sharing a journey on a path of enlightenment and spiritual growth. During our previous retreats, we have laughed, cried, learned and developed lasting connections. During this year's retreat, I have allocated time for deeper connection through interactive group activities.

It is my vision that we will spend quality time with each other this year. It can be as simple as sharing a conversation with a friend, spending quiet time journaling together, enjoying a visit to a favorite metaphysical shop or sharing a personal gift. This can be a time of developing a deeper connection with one another and also with yourself.

Those who wish to share their metaphysical and spiritual gifts may feel free to bring whatever is needed for their modality. We have readers, artists, healthcare professionals, Reiki and Chakra practitioners, essential oil specialists, ladies with unique life experiences and a huge reservoir of life experience.

My wish for you is that you experience a transformational weekend. May your connections deepen and may you be the spark in someone else's darkness. Let's lift each other up and illuminate the Baladerry, Gettysburg and the world with LOVE!

GROUP ACTIVITIES

“Healing Oil Rollerball Workshop” with Timmie Lancaster

“Hi Friends! I’d like to share a little bit about my hobby / business. I became a DoTerra Wellness Advocate 9 years ago. It’s been an amazing journey! I decided I wanted to do more with my oils so that others could experience the benefits and beauty of using pure products. From there, I started a small business, Nature’s Gifts. I make organic soaps, shower steamers, lotion bars, bath salts, lip balms and rollerballs. Each product contains my oils.”

During this fun, informative and interactive workshop, Timmie will lead you on an aromatic journey to healing as you create your own rollerball with essential oils. You will each create your own rollerball to take home with you. **This is included in your event fee.** It will consist of rollerballs, oils, charged crystal chips, fractionated coconut oil (carrier oil) and labels.

You will be able to choose one of from the following. *If you’d like to make more than one rollerball, you may select additional ones on your registration form at a cost of \$15 each.*

JULIE K. GRAY

Spiritualist, Medium

Hi! I'm Julie and I'm a Maine-based Psychic Medium and Interdisciplinary Artist (photography, sculpture, etc.). In 2009, I had a near-death experience that absolutely turned my world upside down and left me with many more questions than answers. When I regained consciousness, I knew there had to be more to the soul's journey after the change called death. Or at least, there COULD be more. After my near-death experience though, I knew I needed to delve deeper. I began my Spiritual journey 7 years ago with a visit to Lily Dale, NY where I received many Mediumship Readings and had some of the most insightful and influential conversations of my life. In the following years, I've attended numerous workshops, sat in Mediumship Circles, and have been blessed to work with some of the most incredible mentors to expand my intuition.

Currently, I am an ordained Spiritualist and Interfaith Minister, Certified Psychic Medium, Reiki Practitioner and Spiritual Healer. It is my intention to bring healing, comfort, upliftment and inspiration to those who seek it by connecting them with their guides, angels and loved ones who have crossed over.
