Historic Baladerry Inn

The Baladerry Inn has a rich history. The oldest section of the inn was constructed in 1812 on the Bushman Farm, with the rest of the main house added in 1830. The home was built as a tenant farmer's house, and was later occupied by the son of George Bushman. Located on what is now known as Hospital Road, the Bushman Farm was a field hospital for the Army of the Potomac during the Battle of Gettysburg. With its unique country setting at the edge of the battlefield and close proximity to the restaurants and attractions in town, the Baladerry Inn offers Gettysburg's most charming blend of comfort and convenience. Open year round, the property features spacious landscaped grounds, romantic terraces, a majestic great room, and finely furnished and tastefully appointed guestrooms, all including private baths and free wi-fi access. Our guests also enjoy a full country breakfast each morning. The inn is rated and approved by the Forbes Travel Guide (formerly Mobil Travel Guide) and AAA. Their full country breakfasts only rival their guestrooms and facilities in popularity. Breakfast is served both in the Great Room and, in season, on the terrace, you may arrive for breakfast, between 8:00 and 9:00 AM. The dining area features individual tables. The breakfast selections vary from day to day. One example of their delicious breakfasts features Baked Heavenly Peaches, Stuffed French Toast with Honey Orange Butter Sauce and Sausage, and Blueberry White Chip Muffins. Another features Warm Fruit Compote, Baladerry Benedict, and Sour Cream Streusel Coffeecake. Yet another features Dreamsicle Oranges, Homemade Egg and Bacon Filled Crepe Topped with Melted Cheddar Cheese Mixed with Toasted Onion and Fresh Chives, and Pecan Pie Muffin. Coffee, tea and juices are always included, of course. Complimentary hot and cold drinks are available 24 hours a day. Special meals for guests with allergies and dietary needs will be accommodated. Just let the innkeeper know at time of check-in.

The Inn consists of 10 bedrooms, each with their own private bathroom.
