DREAM INTERPRETATION WORKSHOP

We all dream, but how often do you wake up wondering, “Well, what did that mean?” In this workshop, led by Jofa M. Kauffman, you will be given some simple tools to transform your life through interpreting what your dreams are trying to tell you. **Bring along a written, memorable dream** that you’ve had recently so we can see what messages are hidden within.

HOLLY TALARCHYK

From The Heart Hypnotherapy

Holly Talarczyk is a Certified Hypnotherapist, a level 2 practitioner of the late Dolores Cannon's Quantum Healing Hypnosis Technique (QHHT), a Beyond Quantum Healing (BQH) practitioner, a Certified Life Coach, & also a Usui Reiki Master.

GROUP PAST LIFE REGRESSION

"Join us for an afternoon of time travel as we step through the doorway to another time, another place, where you have existed before.

Journey to a past life (or two) to explore its connection to this lifetime, and how it is influencing you today.

You may even uncover hidden secrets to fears, phobias, or even health issues through viewing a previous lifetime.

Anything is possible once you step through that doorway to the past!

(You do not have to be a visual person to experience this. We will be using ALL our senses for a full immersion into the past - think about it... a blind person can't "see" but they DO still experience life to its fullest!)

***Make sure to bring a notebook & pen to record your journey.**

***Blanket/yoga mat & pillow is okay to bring, but not required.**

PRESENTATIONS, CLASSES and ACTIVITIES

PALM READING WORKSHOP

Liz Anne will lead the group in a basic palm reading workshop. See if you can read one of the attendee's palm after the class!

Liz Anne will also be offering private palm reading sessions as an optional activity. The cost is \$30.
