at the

The Baladerry Inn
Gettysburg, PA

This interactive retreat is designed for those wishing to enhance their psychic abilities or those interested in learning about how to use their psychic abilities while exploring the paranormal. Our event is set in historic Gettysburg, PA at the Baladerry Inn. The Baladerry Inn has a rich history. The oldest section of the inn was constructed in 1812 on the Bushman Farm, with the rest of the main house added in 1830. The home was built as a tenant farmer’s house and was later occupied by the son of George Bushman. Located on what is now known as Hospital Road, the Bushman Farm was a field hospital during the Battle of Gettysburg.

ARE YOU A PSYCHIC, MEDIUM, INTUITIVE, EMPATH...?

There are numerous terms for individuals with special abilities. Do you know what your gift is and what each of these means?

PSYCHOMETRY, AUTOMATIC WRITING AND REMOTE VIEWING INCLUDING PRACTICE

Psychometry, automatic writing and remote viewing are all tools you can use prior and during an investigation. Learn more about each and then practice your abilities with some simple tests.

INVESTIGATION DOCUMENTATION

Each investigation is different, yet, you may find many commonalities, too. Learn how to prepare proper documentation of each investigation including interviews with those affected by the activity.

PARANORMAL INVESTIGATIONS WITH OTHERS USING EQUIPMENT

You may go into an investigation with other team members. Do you know how to work in conjunction with those who choose to use equipment (recorders, EMF, video cameras, etc)?

TO CLEAR OR NOT TO CLEAR?

Learn when a space needs to be cleared and when not to clear. Also, you will learn techniques for clearing.

DISCERNMENT OF SPIRITS ENCOUNTERED

WHY DO SPIRITS ATTACH AND WHAT TO DO

If, by chance, you bring home an uninvited guest after an investigation, learn the signs that you have an attachment and how to remove them.

"CROSSING OVER" TECHNIQUES

You've probably heard the term "crossing over". Should all entities/spirits be crossed over? Do they want to go? If so, will they go? Learn techniques for crossing over spirits and determine if they should or will go.

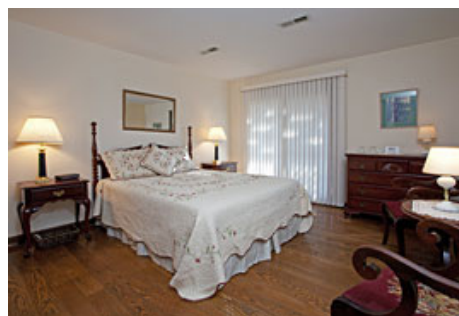

PRACTICE AND ENHANCE YOUR PSYCHIC ABILITIES – INTERACTIVE WORKSHOP

- Using simple tests, you will have the opportunity to test your skills. This includes:
- Work on your psychometry abilities
