PRESENTATIONS, CLASSES and ACTIVITIES

Manifesting Tree Intuitive Art Workshop

The Manifesting Tree painting is a guided, layered, abstract painting process. We will build up the painting in layers, setting intentions for our greatest good as we go. We will create a little pocket in our painting to hold our manifesting intention.

DEZRA ANDERSON

Heart & Soul Connection

Certified Art4Healing Facilitator and Certified Creatively Fit Coach

"I have been creating a meditative painting practice for myself that allows me to calm my mind and tune in to my intuition. I express my feelings and intentions with color and abstract marks on canvas. This form of meditation allows my mind to quiet while I let my intuition guide me to the next color or mark on the canvas. The objective is to let go, listen, and feel to create whatever comes through.

My goal is to hold a space for myself and others to return to the joy of painting for no other reason than creative expression, just like when we were all in kindergarten. The space I am holding is free of judgement and expectations, and is full of love, acceptance, and connectedness. I am holding space for you to create your future. I am holding space for us to connect through art with ourselves and others."

JULIE K. GRAY

Spiritualist, Medium

Hi! I'm Julie and I'm a Maine-based Psychic Medium and Interdisciplinary Artist (photography, sculpture, etc.). In 2009, I had a near-death experience that absolutely turned my world upside down and left me with many more questions than answers. When I regained consciousness, I knew there had to be more to the soul's journey after the change called death. Or at least, there COULD be more. After my near-death experience though, I knew I needed to delve deeper. I began my Spiritual journey 7 years ago with a visit to Lily Dale, NY where I received many Mediumship Readings and had some of the most insightful and influential conversations of my life. In the following years, I've attended numerous workshops, sat in Mediumship Circles, and have been blessed to work with some of the most incredible mentors to expand my intuition.

Currently, I am an ordained Spiritualist and Interfaith Minister, Certified Psychic Medium, Reiki Practitioner and Spiritual Healer. It is my intention to bring healing, comfort, upliftment and inspiration to those who seek it by connecting them with their guides, angels and loved ones who have crossed over.
