Health/Medications/Clinic

SCE has two full-time nurses on staff. Our school only provides basic first aid. Non-prescription or prescription medication can only be administered with proper forms completed by a parent or physician. Medication must be brought in the original container with current instructions. There will be NO exceptions. A parent will be expected to come to school to administer medication if they forget to give it to their child before school. Please contact our school nurses with medical questions.

School Deliveries

If a celebratory gift (balloons, flowers, etc.) is delivered to the school for a student, parents will be contacted to pick it up in the office if students ride the bus or can not carry.

Cell Phone/Smart Device Policy

Cell phones/smart devices are to remain "off" and placed in backpacks during school hours. If a cell phone is out during school hours, it will be collected and turned in to the office. Admin will contact parent and device must be picked up in the office by a parent if out or turned on.

Apple/Smart/VTech watches are not allowed to be used as communication devices, phones calls, texts, recordings or internet access.
