

THE CARING CONGREGATION

creating excellence in care ministry

OUR MISSION

To cultivate a culture of care in the evolving Christian community.

c a r e

**Developing
deeply
discipled,
emotionally
healthy,
and spiritually
mature
care teams**

OUR SERVICES

We train church leaders using a team approach that empowers pastors and laity working together to build care ministries to effectively support their congregations and communities.

Beyond our introductory training, we provide personalized experiences for ongoing collaboration through cohorts, mentoring, and care resources.

we love care ministry
